

“Beyond my Wildest Dreams”

Gift List

Thank you for choosing to purchase a gift from our Honeymoon Wish List. Please use this form to choose your gift, ticking the box next to your chosen item. In order to avoid double-booking of gifts, we ask if you would mind indicating a second/third choice of gift should your first choice be taken. However, if you leave this space empty, Carol will use her discretion to substitute the next nearest item still available on your behalf and will contact you accordingly. Some of the gifts, such as Spanish Lessons and nights at some of the hotels are suitable for more than one purchase.

I have paid the equivalent amount for my gift directly to the Trailfinders account:

Remember, Trailfinders don't have this list, you're putting the monetary value of the gift you want to bestow. We aren't booking the gifts with them, but have already booked the flights. Any money that is given to them will mean that we can use the cash saved on the flights for the gift you have chosen for us.
